

PROGRAMME OVERVIEW

TUESDAY, SEPTEMBER 11 TH				
9:00 - 18:30	Registration desk open			
9:00 - 9:45	Plenary /Rainer BLATT Quantum Computer - a New Technology for the Information Age Heizhaus - HS 12.11 (Universitätsplatz 4, 1 st floor)			
10:00 - 10:40	Advanced Functional Materials for Sensing and Actuating Room 15.02	Chemical Sensors and Sensors for Food Industry Room 15.03	Bio(medical) Sensors, Devices and Microfluidics Room 15.04	Piezoelectric, Dielectric, Capacitive and Magnetic Sensors Room 15.05
10:40 - 11:10	Coffee Break			
11:10 - 12:30	Adv. Functional Materials for Sensing and Actuating Room 15.02	Chemical Sensors and Sensors for Food Industry Room 15.03	Bio(medical) Sensors, Devices and Microfluidics Room 15.04	Piezoelectric, Dielectric, Capacitive and Magnetic Sensors Room 15.05
12:30 - 14:00	Lunch Break			
14:00 - 14:30	Photonic Sensors and Quantum Sensors Room 15.02	Chemical Sensors and Sensors for Food Industry Room 15.03	Bio(medical) Sensors, Devices and Microfluidics Room 15.04	Piezoelectric, Dielectric, Capacitive and Magnetic Sensors Room 15.05
14:30 - 15:50	Photonic Sensors and Quantum Sensors Room 15.02	Chemical Sensors and Sensors for Food Industry Room 15.03	Bio(medical) Sensors, Devices and Microfluidics Room 15.04	Adv. Functional Materials for Sensing and Actuating Room 15.05
15:50 - 16:30	Coffee Break			
16:30 - 17:10	Photonic Sensors and Quantum Sensors Room 15.02	Chemical Sensors and Sensors for Food Industry Room 15.03	Bio(medical) Sensors, Devices and Microfluidics Room 15.04	Adv. Functional Materials for Sensing and Actuating Room 15.05
17:00 - 17:50	Light Sensors and Optical MEMS/NEMS Room 15.02	Chemical Sensors and Sensors for Food Industry Room 15.03	Micro- and Nano-fabrication Technologies Room 15.04	Adv. Functional Materials for Sensing and Actuating Room 15.05
17:50 - 18:30	Light Sensors and Optical MEMS/NEMS Room 15.02	Adv. Functional Materials for Sensing and Actuating Room 15.03	Micro- and Nano-fabrication Technologies Room 15.04	Adv. Functional Materials for Sensing and Actuating Room 15.03

WORKSHOP - CHIPSCOPE
 European Initiatives for the Next Generation
 of Nanoscopes in Biosciences
